Community Improvement Plan Grants Now Open

Applications are now being accepted for the 2022 initiatives and programs under the Community Improvement Plan for the following two areas:

1. **The Beautification Program** is intended to assist and encourage property owners to undertake visual improvements to their buildings and/or sites to improve the overall character of core areas in the community.

The following non-exhaustive list is intended to provide guidance on the types of projects eligible for funding under the Beautification Program: • Façade Improvements, such as, but not limited to: • painting (including wall murals/art) • restoring façade masonry and brickwork • restoring architectural features • replacing or repairing windows • improvement of the appearance of entrances • re-design of storefronts • installation or repair of canopies and awnings • install or repair exterior lighting fixtures • any other façade improvements which may be approved by the Township • Installation, expansion, or renovation of a permitted streetside patio/terrace directly associated with a business; • New/Improved Signage; • Landscaping Works, such as but not limited to: • Permanent planting beds/greenspaces (in-ground) • Semi-permanent/permanent planters/fixtures • Permanent Artwork (murals, plaques, instalments).

2. **Accessibility Program** which is intended to support owners and businesses in undertaking barrier-free/general accessibility improvements to their properties and/or buildings. The grants and funding available under the Accessibility Program shall be available to all non-residential buildings/properties in the Township which are regularly open to and/or accessible to the general public or provide local employment.

The following non-exhaustive list is intended to provide guidance on the types of projects eligible for funding under the Accessibility Program: • Works undertaken to improve barrier-free accessibility and/or otherwise allows the building or site to achieve or exceed standards for code compliance with respect to accessibility, such as but not limited to: Installation of wheelchair ramps; Improvements to site/building circulation (i.e. improved pathways, stairs, entrances, etc.); Creation or improvement of on-site barrier-free parking spaces; Barrier-free improvement/retrofitting of washroom facilities; and/or, General storefront accessibility improvements as approved by the Township.
